4 responses

If you want, please elaborate your previous answer.

1 response

N/A

In your opinion, are the webinars achieving the desired result (number of people, dissemination of the app and engagement)? [Copy chart](#)

4 responses

Please elaborate your previous answer.

3 responses

We are still in the process of organizing them, I cannot give a final answer now., but hopefully they will go smoothly.

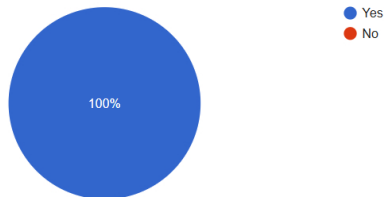

we are going to get there

we are struggling in reaching the audience threshold set in the project application. the content developed by the youth participants is good, but webinar format seems to be a challenging activity especially with local teachers and educators, despite offering it in national language.

Are the next steps clear?
